Morning: What does "INDEPENDENCE" mean when referring to Health? including independence when faced with a patient and their expectations

Conversations between patients, professors of medicine and the general public

Meal €15, booking required before November 25th

Afternoon: INDEPENDENCE in the medical discussion and decision making

Faced with the pharmaceutical industry... and its influence, faced with the authorities ... and judges, and faced with the market... and its profitability

with the prize-giving ceremony of the Méd'Ocean d'or thesis 2012

... With completely no conflict of interest with the pharmaceutical industry
